## 2010 WALL STREET INTERNSHIP PROGRAM

The Wall Street Summer Internship Program provides collegiate sophomores and juniors paid internships at the most prestigious investment banking firms in the world. This program is also open to non-athletes.

### Why this Program?

- Since 2004, over 175 students placed from more than 70 colleges and universities across the country
- Almost 90% received full-time offers
- Best-in-class resume and interview preparation resources
- Comprehensive orientation providing "Roadmap for Success" in the workplace
- Mentorship program linking each student with a former intern our program who is currently working on Wall Street
- Networking Events hosted by our banking partners

*"The AlumniAthlete program is a perfect 10. They go above and beyond their call of duty in order to offer support to the program participants. In particular, they give their athletes the materials necessary to be properly prepared for the interview process, internship on Wall Street, and even the job offer process at the end of the summer. Additionally, the program gives participants the wonderful opportunity to learn more about the different firms on the street."*  
- Stephanie, Northwestern University
